

Free Mentoring for Small Businesses

Free Mentor Matching, provided by The Score Foundation: The Score Foundation is a non-profit organization that provides mentoring services to entrepreneurs and small business owners. PECO is proud to be a sponsor of SCORE to bring this mentor-matching program to all of its Neighbors free of charge. By signing up for this program, you will be matched with a mentor who has expertise in your industry and can provide valuable guidance and support. With the help of a mentor, you can gain new insights, develop new skills, and make better decisions for your business. Don't miss out on this incredible opportunity to take your business to new heights! Click [HERE](#) to sign up for Score's Mentor-Matching Program today!

National Cybersecurity Awareness Month

October is National Cybersecurity Awareness Month, and as a business owner, you should take this opportunity to review your cybersecurity practices and policies. Cyberattacks can have devastating consequences. To protect yourself and your customers, you should follow some basic cybersecurity tips, such as:

- Use strong passwords and change them regularly
- Install antivirus software and keep it updated
- Avoid clicking on suspicious links or attachments
- Backup your data regularly and store it in a secure location
- Hire a professional cybersecurity service if you need help

Learn more about securing your business on the Cybersecurity & Infrastructure Security Agency's [Secure Your Business page](#), where you can find tips for protecting your business, your employees and your customers.
