**ARTICLE IV
STOCK**

Section 4.1. Authorized Shares. The Corporation has authority to issue 1,010,000,000 shares of stock, consisting of 1,000,000,000 shares of common stock, \$0.01 par value per share ("Common Stock"), and 10,000,000 shares of preferred stock, \$0.01 par value per share ("Preferred Stock"). The aggregate par value of all authorized shares of stock having par value is \$10,100,000. If shares of one class are classified or reclassified into shares of another class pursuant to this Article IV, the number of authorized shares of the former class shall be automatically decreased and the number of shares of the latter class shall be automatically increased, in each case by the number of shares so classified or reclassified, so that the aggregate number of shares of stock of all classes that the Corporation has authority to issue shall not be more than the total number of shares of stock set forth in the first sentence of this paragraph. The board of directors, with the approval of a majority of the directors and without any action by the stockholders of the Corporation, may amend the charter from time to time to increase or decrease the aggregate number of shares of stock or the number of shares of any class or series of stock that the Corporation has the authority to issue.

Section 4.2. Common Stock. Subject to the provisions of Article V and except as may otherwise be specified in the terms of any class or series of Common Stock, each share of Common Stock shall entitle the holder thereof to one vote. The board of directors may reclassify any unissued shares of Common Stock from time to time in one or more classes or series of stock.

Section 4.3. Preferred Stock. The board of directors may classify any unissued shares of Preferred Stock and reclassify any previously classified but unissued shares of Preferred Stock of any series from time to time in one or more series of stock.

Section 4.4. Classified or Reclassified Shares. Prior to the issuance of classified or reclassified shares of any class or series, the board of directors by resolution shall: (a) designate that class or series to distinguish it from all other classes and series of stock of the Corporation; (b) specify the number of shares to be included in the class or series; (c) set or change, subject to the provisions of Article V and subject to the express terms of any class or series of stock of the Corporation outstanding at the time, the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms and conditions of redemption for each class or series; and (d) cause the Corporation to file articles supplementary with the Maryland State Department of Assessments and Taxation. Any of the terms of any class or series of stock set or changed pursuant to clause (c) of this Section 4.4 may be made dependent upon facts or events ascertainable outside the charter (including determinations by the board of directors or other facts or events within the control of the Corporation) and may vary among holders thereof, provided that the manner in which such facts, events or variations shall operate upon the terms of such class or series of stock is clearly and expressly set forth in the articles supplementary filed with the Maryland State Department of Assessments and Taxation.

Section 4.5. Charter and Bylaws. The rights of all stockholders and the terms of all shares of stock are subject to the provisions of the charter and the bylaws.

Section 4.6. No Preemptive Rights. Except as may be provided by the board of directors in setting the terms of classified or reclassified shares of stock pursuant to Section 4.4 or as may otherwise be provided by contract approved by the board of directors, no holder of shares of stock of any class or series shall have any preemptive right to subscribe to or purchase any additional shares of any class or series, or any bonds or convertible securities of any nature.

Section 4.7. Issuance of Shares Without Certificates. Unless otherwise provided by the board of directors, the Corporation shall not issue stock certificates. The Corporation shall continue to treat the holder of uncertificated stock registered on its stock ledger as the owner of the shares noted therein until the new owner delivers a properly executed form provided by the Corporation for that purpose. With respect to any shares of stock that are issued without certificates, information regarding restrictions on the transferability of such shares that would otherwise be required by the MGCL to appear on the stock certificates will instead be furnished to stockholders upon request and without charge.

Restriction Termination Date. The first day on which the Corporation determines pursuant to Section 6.2 that it is no longer in the best interests of the Corporation to attempt to, or continue to, qualify as a REIT or that compliance with the restrictions and limitations on Beneficial Ownership, Constructive Ownership and Transfers of shares of Capital Stock set forth herein is no longer required in order for the Corporation to qualify as a REIT.

Section 5.2. Capital Stock.

Section 5.2.1. Ownership Limitations. During the period commencing on the Initial Date and prior to the Restriction Termination Date:

(a) Basic Restrictions.

(i) (1) No Person, other than an Excepted Holder, shall Beneficially Own or Constructively Own shares of Capital Stock in excess of the Aggregate Stock Ownership Limit, (2) no Person, other than an Excepted Holder, shall Beneficially Own or Constructively Own shares of Common Stock in excess of the Common Stock Ownership Limit and (3) no Excepted Holder shall Beneficially Own or Constructively Own shares of Capital Stock in excess of the Excepted Holder Limit for such Excepted Holder.

(ii) No Person shall Beneficially Own or Constructively Own shares of Capital Stock to the extent that such Beneficial Ownership or Constructive Ownership of Capital Stock would result in the Corporation (1) being “closely held” within the meaning of Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year), or (2) otherwise failing to qualify as a REIT; provided, however, that Section 5.2.1(a)(ii)(1) shall not apply any period prior to the second year for which the Corporation has elected to be taxable as a REIT.

(iii) No Person shall Beneficially Own or Constructively Own shares of Capital Stock to the extent that such Beneficial Ownership or Constructive Ownership would cause any income of the Corporation that would otherwise qualify as “rents from real property” for purposes of Section 856(d) of the Code to fail to qualify as such (including, but not limited to, as a result of causing any entity that the Corporation intends to treat as an “eligible independent contractor” within the meaning of Section 856(d)(9)(A) of the Code to fail to qualify as such).

(iv) Any Transfer of shares of Capital Stock that, if effective, would result in the Capital Stock being Beneficially Owned by less than 100 Persons (determined under the principles of Section 856(a)(5) of the Code) shall be void ab initio, and the intended transferee shall acquire no rights in such shares of Capital Stock; provided, however, that (1) this Section 5.2.1(a)(iii) shall not apply to a Transfer of shares of Capital Stock occurring in the Corporation’s first taxable year for which a REIT election is made and (2) the board of directors may waive this Section 5.2.1(a)(iii) if, in the opinion of the board of directors, such Transfer would not adversely affect the Corporation’s ability to qualify as a REIT.

(b) Transfer in Trust. If any Transfer of shares of Capital Stock occurs that, if effective, would result in any Person Beneficially Owning or Constructively Owning shares of Capital Stock in violation of Section 5.2.1(a)(i) or Section 5.2.1(a)(ii),

(i) then that number of shares of Capital Stock the Beneficial Ownership or Constructive Ownership of which otherwise would cause such Person to violate Section 5.2.1(a)(i) or Section 5.2.1(a)(ii) (rounded to the nearest whole share) shall be automatically transferred to a Trust for the benefit of a Charitable Beneficiary, as described in Section 5.3, effective as of the close of business on the Business Day prior to the date of such Transfer and such Person shall acquire no rights in such shares; provided, however,

(ii) if the transfer to the Trust described in clause (i) of this sentence would not be effective for any reason to prevent the violation of Section 5.2.1(a)(i) or Section 5.2.1(a)(ii), then the Transfer of that number of shares of Capital Stock that otherwise would cause any Person to violate Section 5.2.1(a)(i) or Section 5.2.1(a)(ii) shall be void ab initio and the intended transferee shall acquire no rights in such shares of Capital Stock.

Section 5.2.2. Remedies for Breach. If the board of directors shall at any time determine in good faith that a Transfer or other event has taken place that results in a violation of Section 5.2.1(a) or that a Person intends to acquire or has attempted to acquire Beneficial Ownership or Constructive Ownership of any shares of Capital Stock in violation of Section 5.2.1(a) (whether or not such violation is intended), the board of directors or a committee thereof shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, without limitation, causing the Corporation to redeem shares, refusing to give effect to such Transfer on the books of the Corporation or instituting proceedings to enjoin such Transfer or other event; provided, however, that any Transfers or attempted Transfers or other events in violation of Section 5.2.1(a) shall automatically result in the transfer to the Trust described above and, where applicable, such Transfer (or other event) shall be void ab initio as provided above irrespective of any action (or non-action) by the board of directors.

Section 5.2.3. Notice of Restricted Transfer. Any Person who acquires or attempts or intends to acquire Beneficial Ownership or Constructive Ownership of shares of Capital Stock that will or may violate Section 5.2.1(a) or any Person who would have owned shares of Capital Stock that resulted in a transfer to the Trust pursuant to the provisions of Section 5.2.1(b) shall immediately give written notice to the Corporation of such event or, in the case of such a proposed or attempted transaction, give at least 15 days prior written notice and shall provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such Transfer on the Corporation's status as a REIT.

Section 5.2.4. Owners Required to Provide Information. Prior to the Restriction Termination Date:

(a) every owner of 5% or more (or such higher percentage as required by the Code or the Treasury Regulations promulgated thereunder) of the outstanding shares of Capital Stock, within 30 days after the end of each taxable year, shall give written notice to the Corporation stating the name and address of such owner, the number of shares of Capital Stock and other shares of the Capital Stock Beneficially Owned and a description of the manner in which such shares are held. Each such owner shall provide to the Corporation such additional information as the Corporation may request in order to determine the effect, if any, of such Beneficial Ownership on the Corporation's status as a REIT and to ensure compliance with the Aggregate Stock Ownership Limit.

(b) each Person who is a Beneficial Owner or Constructive Owner of Capital Stock and each Person (including the stockholder of record) who is holding Capital Stock for a Beneficial Owner or Constructive Owner shall provide to the Corporation such information as the Corporation may request, in good faith, in order to determine the Corporation's status as a REIT and to comply with requirements of any taxing authority or governmental authority or to determine such compliance.

Section 5.2.5. Remedies Not Limited. Subject to Section 6.2, nothing contained in this Section 5.2 shall limit the authority of the board of directors to take such other action as it deems necessary or advisable to protect the Corporation and the interests of its stockholders in preserving the Corporation's status as a REIT.

Section 5.2.6. Ambiguity. In the case of an ambiguity in the application of any of the provisions of this Section 5.2, Section 5.3 or any definition contained in Section 5.1, the board of directors shall have the power to determine the application of the provisions of this Section 5.2 or Section 5.3 with respect to any situation based on the facts known to it. In the event Section 5.2 or Section 5.3 requires an action by the board of directors and the charter fails to provide specific guidance with respect to such action, the board of directors shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of Sections 5.1, 5.2 or 5.3.

Section 5.2.7. Exceptions.

(a) Subject to Section 5.2.1(a)(ii), the board of directors, in its sole discretion, may exempt (prospectively or retroactively) a Person from the Aggregate Stock Ownership Limit and the Common Stock Ownership Limit, as the case may be, and may establish or increase an Excepted Holder Limit for such Person. The board of directors may determine only to establish or increase an Excepted Holder Limit for such Person if:

(i) the board of directors obtains such representations and undertakings from such Person as are reasonably necessary to ascertain that no Person's Beneficial Ownership or Constructive Ownership of such shares of Capital Stock will violate Section 5.2.1(a)(ii);

(ii) such Person does not and represents that it will not own, actually or Constructively, an interest in a tenant of the Corporation (or a tenant of any entity owned or controlled by the Corporation)

that would cause the Corporation to own, actually or Constructively, an interest in such tenant that would cause any income of the Corporation that would otherwise qualify as “rents from real property” for purposes of Section 856(d) of the Code to fail to qualify as such and the board of directors obtains such representations and undertakings from such Person as are reasonably necessary to ascertain this fact (for this purpose, a tenant from whom the Corporation (or an entity owned or controlled by the Corporation) derives (and is expected to continue to derive) a sufficiently small amount of revenue such that, in the opinion of the board of directors, rent from such tenant would not adversely affect the Corporation's ability to qualify as a REIT shall not be treated as a tenant of the Corporation); and

(iii) such Person agrees that any violation or attempted violation of such representations or undertakings (or other action which is contrary to the restrictions contained in Sections 5.2.1 through 5.2.6) will result in such shares of Capital Stock being automatically transferred to a Trust in accordance with Section 5.2.1(b) and Section 5.3.

(b) Prior to granting any exception pursuant to Section 5.2.7(a), the board of directors may require a ruling from the Internal Revenue Service or an opinion of counsel, in either case, in form and substance satisfactory to the board of directors in its sole discretion, as it may deem necessary or advisable in order to determine or ensure the Corporation's status as a REIT. Notwithstanding the receipt of any ruling or opinion, the board of directors may impose such conditions or restrictions as it deems appropriate in connection with granting such exception.

(c) Subject to Section 5.2.1(a)(ii), an underwriter which participates in a public offering or a private placement of Capital Stock (or securities convertible into or exchangeable for Capital Stock) may Beneficially Own or Constructively Own shares of Capital Stock (or securities convertible into or exchangeable for Capital Stock) in excess of the Aggregate Stock Ownership Limit, the Common Stock Ownership Limit or both such limits, but only to the extent necessary to facilitate such public offering or private placement.

(d) The board of directors may only reduce the Excepted Holder Limit for an Excepted Holder: (i) with the written consent of such Excepted Holder at any time or (ii) pursuant to the terms and conditions of the agreements and undertakings entered into with such Excepted Holder in connection with the establishment of the Excepted Holder Limit for that Excepted Holder. No Excepted Holder Limit shall be reduced to a percentage that is less than the Common Stock Ownership Limit.

Section 5.2.8. Increase or Decrease in Aggregate Stock Ownership Limit and Common Stock Ownership Limit. Subject to Section 5.2.1(a)(ii), the board of directors may from time to time increase the Common Stock Ownership Limit and the Aggregate Stock Ownership Limit for one or more Persons and decrease the Common Stock Ownership Limit and the Aggregate Stock Ownership Limit for all other Persons; provided, however, that the decreased Common Stock Ownership Limit and/or Aggregate Stock Ownership Limit will not be effective for any Person whose percentage ownership in shares of Capital Stock is in excess of such decreased Common Stock Ownership Limit and/or Aggregate Stock Ownership Limit until such time as such Person's percentage of shares of Capital Stock equals or falls below the decreased Common Stock Ownership Limit and/or Aggregate Stock Ownership Limit, but any further acquisition of shares of Capital Stock in excess of such percentage ownership of shares of Capital Stock will be in violation of the Common Stock Ownership Limit and/or Aggregate Stock Ownership Limit and, provided further, that the new Common Stock Ownership Limit and/or Aggregate Stock Ownership Limit would not allow five or fewer Persons to Beneficially Own more than 49.9% in value of the outstanding shares of Capital Stock.

Section 5.2.9. Legend. Should the Corporation issue stock certificates, each certificate for shares of Capital Stock shall bear substantially the following legend:

The shares represented by this certificate are subject to restrictions on Beneficial Ownership, Constructive Ownership and Transfer for the purpose of the Corporation's maintenance of its status as a real estate investment trust (a "REIT") under the Internal Revenue Code of 1986, as amended (the "Code"). Subject to certain further restrictions and except as expressly provided in the Corporation's charter: (a) no Person may Beneficially Own or Constructively Own shares of the Corporation's Common Stock in excess of 9.8% (in value or number of shares) of the outstanding shares of Common Stock of the Corporation unless such Person is an Excepted Holder (in which case the Excepted Holder Limit for such Excepted Holder shall be applicable); (b) no Person may Beneficially Own or Constructively Own shares of Capital Stock of the Corporation in excess of 9.8% of the value of the total outstanding shares of Capital Stock of the Corporation, unless such Person is an Excepted Holder (in which case the Excepted Holder Limit for such Excepted Holder shall be applicable); (c) no Person may Beneficially Own or Constructively Own Capital Stock that would result in the Corporation being "closely held" under Section 856(h) of the Code or otherwise cause the Corporation to fail to qualify as a REIT; (d) no Person may Beneficially Own or Constructively Own shares of Capital Stock that would cause any income of the Corporation that would otherwise qualify as "rents from real property" for purposes of Section 856(d) of the Code to fail to qualify as such (including, but not limited to, as a result of causing any entity that the Corporation intends to treat as an "eligible independent contractor" within the meaning of Section 856(d)(9)(A) of the Code to fail to qualify as such); and (e) other than as provided in the Corporation's charter, no Person may Transfer shares of Capital Stock if such Transfer would result in the Capital Stock of the Corporation being owned by fewer than 100 Persons. Any Person who Beneficially Owns or Constructively Owns or attempts to Beneficially Own or Constructively Own shares of Capital Stock that causes or will cause a Person to Beneficially Own or Constructively Own shares of Capital Stock in excess or in violation of the above limitations must immediately notify the Corporation or, in the case of a proposed or attempted transaction, give at least 15 days prior written notice and provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such Transfer on the Corporation's status as a REIT. If any of the restrictions on Transfer or ownership are violated, the shares of Capital Stock represented hereby will be automatically transferred to a Trustee of a Trust for the benefit of one or more Charitable Beneficiaries or, upon the occurrence of certain events, attempted Transfers in violation of the restrictions described above may be void *ab initio*. In addition, the Corporation may redeem shares of Capital Stock upon the terms and conditions specified by the board of directors in its sole discretion if the board of directors determines that ownership or a Transfer or other event may violate the restrictions described above.

All capitalized terms in this legend have the meanings defined in the charter of the Corporation, as the same may be amended from time to time, a copy of which, including the restrictions on Transfer and ownership, will be furnished to each holder of Capital Stock of the Corporation on request and without charge.

Instead of the foregoing legend, the certificate may state that the Corporation will furnish a full statement about certain restrictions on transferability to a stockholder on request and without charge. Such statement shall also be sent on request and without charge to stockholders who are issued shares without a certificate.

Section 5.3. Transfer of Capital Stock in Trust.

Section 5.3.1. Ownership in Trust. Upon any purported Transfer or other event described in Section 5.2.1(b) that would result in a transfer of shares of Capital Stock to a Trust, such shares of Capital Stock shall be deemed to have been transferred to the Trustee as trustee of a Trust for the exclusive benefit of one or more Charitable Beneficiaries. Such transfer to the Trustee shall be deemed to be effective as of the close of business on the Business Day prior to the purported Transfer or other event that results in the transfer to the Trust pursuant to Section 5.2.1(b). The Trustee shall be appointed by the Corporation and shall be a Person unaffiliated with the Corporation and any Prohibited Owner. Each Charitable Beneficiary shall be designated by the Corporation as provided in Section 5.3.6.

Section 5.3.2. Status of Shares Held by the Trustee. Shares of Capital Stock held by the Trustee shall be issued and outstanding shares of Capital Stock of the Corporation. The Prohibited Owner shall have no rights in the shares held by the Trustee. The Prohibited Owner shall not benefit economically from ownership of any shares held in trust by the Trustee and shall have no rights to dividends or other distributions attributable to the shares held in the Trust.

Section 5.3.3. Distributions and Voting Rights. The Trustee shall have all voting rights and rights to distributions with respect to shares of Capital Stock held in the Trust, which rights shall be exercised for the exclusive benefit of the Charitable Beneficiary. Any distribution paid prior to the discovery by the Corporation that the shares of Capital Stock have been transferred to the Trustee shall be paid by the recipient of such distribution to the Trustee upon demand, and any distribution authorized but unpaid shall be paid when due to the Trustee. Any distribution so paid to the Trustee shall be held in trust for the Charitable Beneficiary. The Prohibited Owner shall have no voting rights with respect to shares held in the Trust, and, subject to Maryland law, effective as of the date that the shares of Capital Stock have been transferred to the Trustee, the Trustee shall have the authority with respect to the shares held in the Trust (at the Trustee's sole discretion) (a) to rescind as void any vote cast by a Prohibited Owner prior to the discovery by the Corporation that the shares of Capital Stock have been transferred to the Trustee and (b) to recast such vote in accordance with the desires of the Trustee acting for the benefit of the Charitable Beneficiary; provided, however, that if the Corporation has already taken irreversible corporate action, then the Trustee shall not have the authority to rescind and recast such vote. Notwithstanding the provisions of this Article V, until the Corporation has received notification that shares of Capital Stock have been transferred into a Trust, the Corporation shall be entitled to rely on its share transfer and other stockholder records for purposes of preparing lists of stockholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes of stockholders.

Section 5.3.4. Sale of Shares by Trustee. Within 20 days of receiving notice from the Corporation that shares of Capital Stock have been transferred to the Trust, the Trustee of the Trust shall sell the shares held in the Trust to a Person, designated by the Trustee, whose ownership of the shares will not violate the ownership limitations set forth in Section 5.2.1(a). Upon such sale, the interest of the Charitable Beneficiary in the shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner and to the Charitable Beneficiary as provided in this Section 5.3.4. The Prohibited Owner shall receive the lesser of (a) the price paid by the Prohibited Owner for the shares or, if the Prohibited Owner did not give value for the shares in connection with the event causing the shares to be held in the Trust (*e.g.*, in the case of a gift, devise or other such transaction), the Market Price of the shares on the day of the event causing the shares to be held in the Trust or (b) the price per share received by the Trustee from the sale or other disposition of the shares held in the Trust. The Trustee may reduce the amount payable to the Prohibited Owner by the amount of distributions which have been paid to the Prohibited Owner and are owed by the Prohibited Owner to the Trustee pursuant to Section 5.3.3 of this Article V. Any net sale proceeds in excess of the amount payable to the Prohibited Owner shall be immediately paid to the Charitable Beneficiary. If, prior to the discovery by the Corporation that shares of Capital Stock have been transferred to the Trustee, such shares are sold by a Prohibited Owner, then (i) such shares shall be deemed

to have been sold on behalf of the Trust and (ii) to the extent that the Prohibited Owner received an amount for such shares that exceeds the amount that such Prohibited Owner was entitled to receive pursuant to this Section 5.3.4, such excess shall be paid to the Trustee upon demand.

Section 5.3.5. Purchase Right in Stock Transferred to the Trustee. Shares of Capital Stock transferred to the Trustee shall be deemed to have been offered for sale to the Corporation, or its designee, at a price per share equal to the lesser of (a) the price per share in the transaction that resulted in such transfer to the Trust (or, in the case of a devise or gift, the Market Price at the time of such devise or gift) or (b) the Market Price on the date the Corporation, or its designee, accepts such offer. The Corporation shall have the right to accept such offer until the Trustee has sold the shares held in the Trust pursuant to Section 5.3.4. Upon such a sale to the Corporation, the interest of the Charitable Beneficiary in the shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner. The Corporation may reduce the amount payable to the Prohibited Owner by the amount of distributions which have been paid to the Prohibited Owner and are owed by the Prohibited Owner to the Trustee pursuant to Section 5.3.3 of this Article V. The Corporation may pay the amount of such reduction to the Trustee for the benefit of the Charitable Beneficiary.

Section 5.3.6. Designation of Charitable Beneficiaries. By written notice to the Trustee, the Corporation shall designate one or more nonprofit organizations to be the Charitable Beneficiary of the interest in the Trust such that (a) the shares of Capital Stock held in the Trust would not violate the restrictions set forth in Section 5.2.1(a) in the hands of such Charitable Beneficiary and (b) each such organization must be described in Section 501(c)(3) of the Code and contributions to each such organization must be eligible for deduction under each of Sections 170(b)(1)(A), 2055 and 2522 of the Code.

Section 5.4. Settlement. Nothing in this Article V shall preclude the settlement of any transaction entered into through the facilities of any national securities exchange or automated inter-dealer quotation system. The fact that the settlement of any transaction is so permitted shall not negate the effect of any other provision of this Article V and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Article V.

Section 5.5. Enforcement. The Corporation is authorized specifically to seek equitable relief, including injunctive relief, to enforce the provisions of this Article V.

Section 5.6. Non-Waiver. No delay or failure on the part of the Corporation or the board of directors in exercising any right hereunder shall operate as a waiver of any right of the Corporation or the board of directors, as the case may be, except to the extent specifically waived in writing.

Section 5.7. Tender Offers. If any Person makes a tender offer, including, without limitation, a “mini-tender” offer, such Person must comply with all of the provisions set forth in Regulation 14D of the Securities Exchange Act, including, without limitation, disclosure and notice requirements, which would be applicable if the tender offer was for more than 5% of the outstanding securities of the Corporation, provided, however, that such documents are not required to be filed with the Securities and Exchange Commission. In addition, any such Person must provide notice to the Corporation at least 10 Business Days prior to initiating any such tender offer. If any Person initiates a tender offer without complying with the provisions set forth above (a “Non-Compliant Tender Offer”), the Corporation, in its sole discretion, shall have the right to redeem such non-compliant Person’s shares of Capital Stock and any shares of Capital Stock acquired in such tender offer (collectively, the “Tendered Shares”) at the lesser of (i) with respect to Common Stock, the price then being paid per share of Common Stock purchased in the Corporation’s latest offering of Common Stock at full purchase price (not discounted for commission reductions nor for reductions in sale price permitted pursuant to the distribution reinvestment plan), (ii) the fair market value of the shares as determined by an independent valuation obtained by the Corporation or (iii) the lowest tender offer price offered in such Non-Compliant Tender Offer. The Corporation may purchase such

Tendered Shares upon delivery of the purchase price to the Person initiating such Non-Compliant Tender Offer, and, upon such delivery, the Corporation may instruct any transfer agent to transfer such purchased shares to the Corporation. In addition, any Person who makes a Non-Compliant Tender Offer shall be responsible for all expenses incurred by the Corporation in connection with the enforcement of the provisions of this Section 5.7, including, without limitation, expenses incurred in connection with the review of all documents related to such tender offer and expenses incurred in connection with any purchase of Tendered Shares by the Corporation. The Corporation maintains the right to offset any such expenses against the dollar amount to be paid by the Corporation for the purchase of Tendered Shares pursuant to this Section 5.7. In addition to the remedies provided herein, the Corporation may seek injunctive relief, including, without limitation, a temporary or permanent restraining order, in connection with any Non-Compliant Tender Offer. This Section 5.7 shall be of no force or effect with respect to Capital Stock that is then admitted for trading on any securities exchange registered as a national securities exchange under Section 6 of the Exchange Act.

ARTICLE VI PROVISIONS FOR DEFINING, LIMITING AND REGULATING CERTAIN POWERS OF THE CORPORATION AND OF THE STOCKHOLDERS AND DIRECTORS

Section 6.1. Number of Directors. The number of directors of the Corporation may be increased or decreased from time to time pursuant to the bylaws but shall never be less than three (3) or more than fifteen (15). So long as a class of the Corporation's stock is listed for trading on a national securities exchange, a majority of directors shall be "independent" in accordance with the rules and regulations of such exchange. If a class of the Corporation's stock is not listed for trading on a national securities exchange, a majority of the directors shall be independent in accordance with the rules and regulations of the New York Stock Exchange.

Section 6.2. REIT Qualification. If the Corporation elects to qualify for federal income tax treatment as a REIT, the board of directors shall use its reasonable best efforts to take such actions as are necessary or appropriate to preserve the status of the Corporation as a REIT; however, if the board of directors determines that it is no longer in the best interests of the Corporation to continue to be qualified as a REIT, the board of directors may revoke or otherwise terminate the Corporation's REIT election pursuant to Section 856(g) of the Code. The board of directors also may determine that compliance with any restriction or limitation on ownership and transfers of Capital Stock set forth in Article V is no longer required for REIT qualification.

Section 6.3 Authorization by Board of Stock Issuance. The board of directors may authorize the issuance from time to time of shares of Capital Stock of any class or series, whether now or hereafter authorized, or securities or rights convertible into shares of Capital Stock of any class or series, whether now or hereafter authorized, for such consideration as the board of directors may deem advisable (or without consideration in the case of a stock split or stock dividend), subject to such restrictions or limitations, if any, as may be set forth in the charter or the bylaws.

Section 6.4. Determinations by the Board. The determination as to any of the following matters, made in good faith by or pursuant to the direction of the board of directors consistent with this charter or any shares of Capital Stock, shall be final and conclusive and shall be binding upon the Corporation and every holder of shares of its Capital Stock: (a) the amount of the net income of the Corporation for any period and the amount of assets at any time legally available for the payment of dividends, redemption of its Capital Stock or the payment of other distributions on its Capital Stock; (b) the amount of paid-in surplus, net assets, other surplus, annual or other cash flow, funds from operations, net profit, net assets in excess of capital, undivided profits or excess of profits over losses on sales of assets; (c) the amount, purpose, time of creation, increase or decrease, alteration or cancellation of any reserves or charges and the propriety thereof (whether or not any obligation or liability for which such reserves or charges shall have been created

shall have been paid or discharged); (d) the fair value, or any sale, bid or asked price to be applied in determining the fair value, of any asset owned or held by the Corporation or any shares of Capital Stock; (e) any matters relating to the acquisition, holding and disposition of any assets by the Corporation; (f) any interpretation of the terms, preferences, conversion or other rights, voting powers or rights, restrictions, limitations as to dividends or other distributions, qualifications or terms or conditions of redemption of any class or series of shares of Capital Stock; (g) the number of shares of Capital Stock of any class or series of the Corporation; or (h) any other matter relating to the business and affairs of the Corporation or required or permitted by applicable law, the charter or bylaws or otherwise to be determined by the board of directors; provided, however, that any determination by the board of directors as to any of the preceding matters shall not render invalid or improper any action taken or omitted prior to such determination and no director shall be liable for making or failing to make such a determination.

Section 6.5. Tax on Disqualified Organizations. To the extent that the Corporation incurs any tax pursuant to Section 860E(e)(6) of the Code as the result of any “excess inclusion” income (within the meaning of Section 860E of the Code) of the Corporation that is allocable to a stockholder that is a “disqualified organization” (as defined in Section 860E(e)(5) of the Code), the board of directors may, in its sole discretion, cause the Corporation to allocate such tax solely to the stock held by such disqualified organization in the manner described in Treasury Regulation Section 1.860E-2(b)(4), by reducing from one or more distributions paid to such stockholder the tax incurred by the Corporation pursuant to Section 860E(e)(6) as a result of such stockholder’s stock ownership.

Section 6.6. Indemnification. The Corporation shall indemnify, to the fullest extent permitted by Maryland law, as applicable from time to time, its present and former directors and officers, whether serving or having served, the Corporation or at its request any other entity, for any threatened, pending or completed action, suit or proceeding (whether civil, criminal, administrative or investigative) relating to any action alleged to have been taken or omitted in such capacity as a director or officer. The Corporation shall pay or reimburse all reasonable expenses incurred by a present or former director or officer, whether serving or having served, the Corporation or at its request any other entity, in connection with any threatened, pending or completed action, suit or proceeding (whether civil, criminal, administrative or investigative) in which the present or former director or officer is a party, in advance of the final disposition of the proceeding, to the fullest extent permitted by, and in accordance with the applicable requirements of, Maryland law, as applicable from time to time. The Corporation may indemnify any other persons, including a person who served a predecessor of the Corporation as an officer or director, permitted to be indemnified by Maryland law as applicable from time to time, if and to the extent indemnification is authorized and determined to be appropriate, in each case in accordance with applicable law. No amendment of the charter of the Corporation or repeal of any of its provisions shall limit or eliminate any of the benefits provided to directors and officers under this Section 6.6 in respect of any act or omission that occurred prior to such amendment or repeal.

Section 6.7. Extraordinary Actions. Notwithstanding any provision of law permitting or requiring any action to be taken or approved by the affirmative vote of the holders of shares entitled to cast a greater number of votes, any such action shall be effective and valid if taken or approved by the affirmative vote of holders of shares entitled to cast a majority of all the votes entitled to be cast on the matter.

Section 6.8. Rights of Objecting Stockholders. Holders of shares of Capital Stock shall not be entitled to exercise any rights of an objecting stockholder provided for under Title 3, Subtitle 2 of the MGCL unless the board, upon the affirmative vote of a majority of the entire board, shall determine that such rights shall apply, with respect to all or any classes or series of Capital Stock, to a particular transaction or all transactions occurring after the date of such determination in connection with which holders of such shares of Capital Stock would otherwise be entitled to exercise such rights.

Section 6.9. Limitation of Director and Officer Liability. To the maximum extent that Maryland law in effect from time to time permits limitation of the liability of directors and officers of a corporation, no director or officer of the Corporation shall be liable to the Corporation or its stockholders for money damages. Neither the amendment nor repeal of this Section 6.10, nor the adoption or amendment of any other provision of the charter or bylaws inconsistent with this Section 6.10, shall apply to or affect in any respect the applicability of the preceding sentence with respect to any act or failure to act that occurred prior to such amendment, repeal or adoption.

ARTICLE VII AMENDMENT

The Corporation reserves the right from time to time to make any amendment to the charter, now or hereafter authorized by law, including any amendment altering the terms or contract rights, as expressly set forth in the charter, of any shares of outstanding Capital Stock.
